

Smart Personal Air Purifier

Model: SM373A

Negative Ions:

Saturation of air with 5 million negative ions for an area of 8m².

 **IMD control panel**

 **HEPA filter:**

Removes dust particulates up to 0.3 microns. Effective in removing smoke and total VOC's.

 **Activated carbon filter:**

It can effectively remove odour and additional preventive measure against total VOC's.

 **Cover seat**

Specifications

- Voltage supply: DC5V
- Noise level: 35dB(A)
- Power rating: 2.5watts
- Net weight: 0.7 kgs
- Applicable area: 8 m²
- Air flow volume: 20 CBM/h
- Ions: 5 million ions/cc
- Dimensions: 115x115x209mm
